### UK Athletics Level 2 Licence WITH World Athletics Permit

*In accordance with UK Athletics rule book, CR1 S1 (7), licences should be applied for preferably at least 8 weeks in advance of a competition. Applications for licences submitted after that date will be considered on merit.*

UK Athletics level 2 licensed competitions with a World Athletics Permit will appear on the global calendar. Performances from these competitions will be eligible for World Athletics ranking list inclusion.

**There is minimum of 30 days' notice to apply for the World Athletics Permit.**

World Athletics Competition and Technical Rules will apply.

Competition providers wishing to apply for this recognition should apply for a UK Athletics level 2 licence and World Athletics permit as soon as possible, remembering the strict time limits.

### Level 2 Licence WITHOUT World Athletics Permits

These are normally only be issued for the following competitions:

- Events that are World Para Athletics (WPA) Endorsed.
- Master's competitions with sufficient qualified officials for this enhanced level of licence to ensure relevant performances are acceptable for BMAF record purposes.

*However, it is accepted that a few additional competitions are of a high-quality standard both in organisation and competitor experience and therefore deserve to be recognised as a level 2 competition. These will be issued on merit at the time of application.*

### World Para Athletics (WPA) Endorsement

Events seeking World Para Athletics (WPA) Endorsement must meet all the Level 2 licence requirements.

**WPA Endorsement** = competitions with both non-disabled and disabled athletes competing together or in parallel events.

**WPA Approved** = Disabled athletes forming the majority of the entries / timetable. These must be registered at least 90 days prior to the competition date. There is a 200 Euro fee, plus travel / accommodation for an ITO appointed by WPA. World Para Athletics Competition and Technical Rules apply. In track events M & W should compete separately in distances 100m to 1500m. Results should be submitted to Power of 10 as usual, with classifications clearly marked.

For all Endorsed competitions with 30+ para-athletes and all Approved events, SDMS results template should be submitted to Jan Richards within 5 days post-event. [jrichards@britishathletics.org.uk](mailto:jrichards@britishathletics.org.uk)

### Appendix 3 - UK Anti-Doping Process

The Home Nation Athletics Federations (HCAF) have slightly different guidelines for Clean Sport and organisers are advised to contact England Athletics, Welsh Athletics, Scottish Athletics and Athletics Northern Ireland respectively for advice.

The UK Athletics Anti-Doping Rules can be found here: <https://www.uka.org.uk/wp-content/uploads/2021/05/210507-UKA-AD-Rules-3-combined-final.pdf>

In summary the points that impact on competition providers and clubs are as follows:

- The Anti-Doping Rules affect all licensed competition held in the UK (track & field, indoor, cross country, road, multi terrain etc), but excludes in house fun type of events.
- Track & field athletes competing in league competitions are covered by their membership to their individual HCAF.
- All organisers of championship/open/school events must include a statement on entry forms so an athlete is aware that by entering a competition they are agreeing to the UK Athletics Anti-Doping Rules and World Anti-Doping Agency (WADA) Code – this can be by tick box for online entries. For on the day entries, this must be included on entry forms or at the top of an entry list to include a place for the athlete/parent/carer to sign.

The wording that all competing athletes must agree to is as follows:

*All entrants shall be deemed to have made him/herself/themselves familiar with, and agree to be bound by the UKA Anti-Doping Rules and to submit to the authority of UK Anti-Doping in the application and enforcement of the Anti-Doping Rules.*

*The UKA Anti-Doping Rules apply to entrants participating in the sport of Athletics, for 12 months from the [date of entry], whether or not the entrant is a citizen of, or resident in, the UK.*
